NEWS

We are being bombarded by so many voices at the present time. Regarding this year the fear mongers are talking war, recession, escalating fuel prices, more pandemics, wild weather—it sounds hope-less!

And, sadly, many in the church are focused on the negative—famine, persecution, rumours of war, financial collapse—and of course, imminent rapture (get us out of here Lord!). Yes, these events are spoken of in the apocalyptic scriptures **BUT** we need to ask, *what is God focused on in 2023? What is Holy Spirit doing in these uncertain times? And what is His plan for my life?*

God's kingdom will continue to increase irrespective of what seems to be happening and what the media reports (Isaiah 9:7). Jesus is coming back for a glorious bride! So our mission has not changed at all, Jesus directed us to, **GO!** Make disciples of the nations! Heal the sick, raise the dead, cleanse the leper, preach the good news...Holy Spirit is definitely & powerfully on the move in 2023!

As the House of Hope our attitude should always be hopeful, we preach hope & we extend hope to those who are lacking it. When the world is shaking & in turmoil we, God's people stand firm in faith, peace, hope & love! We live & demonstrate these realities to those in the world.

You know, God is not hopeless about anything! And that should be our attitude also. Bill Johnson boldly declared, "Any area of my life for which I have no hope is under the influence of a lie." And while things can get tough, we always have hope, for hope dwells within us! Hebrews 10:23 instructs us, *to hold unswervingly to the hope we profess, for he who promised is faithful.*

What is Holy Spirit saying to you today re. 2023? To me He is saying "Glorious times ahead!" And, "The best is yet to come"—"I've saved the finest wine until the last"

Be encouraged by the words of Moses...

Fear not; stand still (firm, confident, undismayed) and see the salvation of the Lord which He will work for you today. Exodus 14:13

Love to you all!
