SOCIALLY ACTIVE - SPIRITUALLY AWARE

CHURCH NEWS

For a couple of months we have been focusing on identity. This is a big issue! Lack of belonging -not knowing who you are, or a distorted identity is the root cause of many personal & social troubles that we are experiencing today.

A true, biblical understanding of identity is one of the most desperately need teachings now - both within & outside the church!

Knowing our identity is the truth that will enable us to get out of bed in the morning and face the delight and despair of our world. This is the truth that will enable us to cope with success and failure without missing a step. This is the truth that will set us up to walk humbly and confidently with Christ through the day, and enable us to reflect on the day that has passed with repentance and faith, and to go to sleep resting in the peace that flows from God's forgiveness. Knowing ourselves through the gospel is just about the most practical, most necessary truth there is for flourishing in our messy world. [Gary Millar]

The writer of Hebrews [4:16] encourages us: "Let us then approach God's throne of grace with confidence..."

Confidence that we are forgiven, righteous, cherished sons & daughters of the King, and recipients of all of the promises that Jesus provided to His family!

Be who you are today!
