NEWS

MAY2023

When Covid subsided, when the lockdowns & restrictions came to an end, people were happy that things would start getting back to normal—back to the way it was... You know, the good old days! And I fully understand where they were coming from.

But we have a God who created everything and holds it together with his word & power—He knows every detail about everyone & everything. **God is not normal!** And Jesus exemplified this when He was on the earth; He was definitely not normal! And this directly relates to us—like Jesus, we have been called & empowered to live far beyond the ordinary!

I can guarantee this truth: Those who believe in me will do the things that I am doing. They will do even greater things because I am going to the Father.

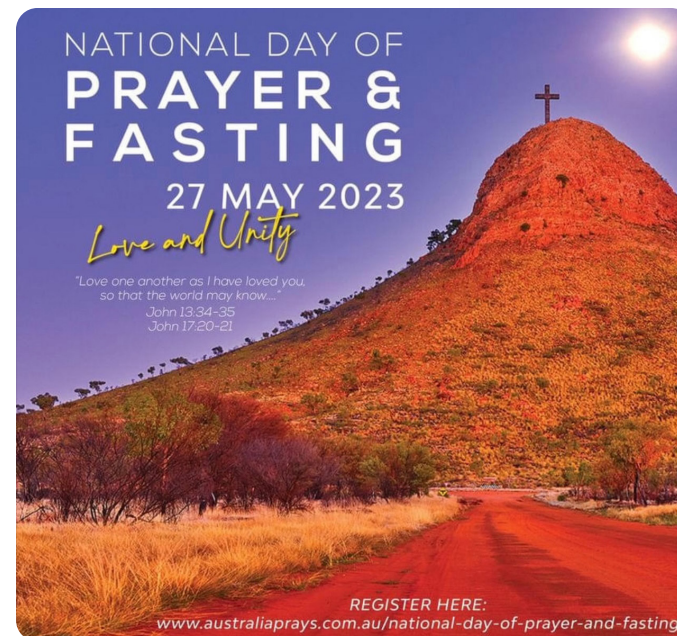

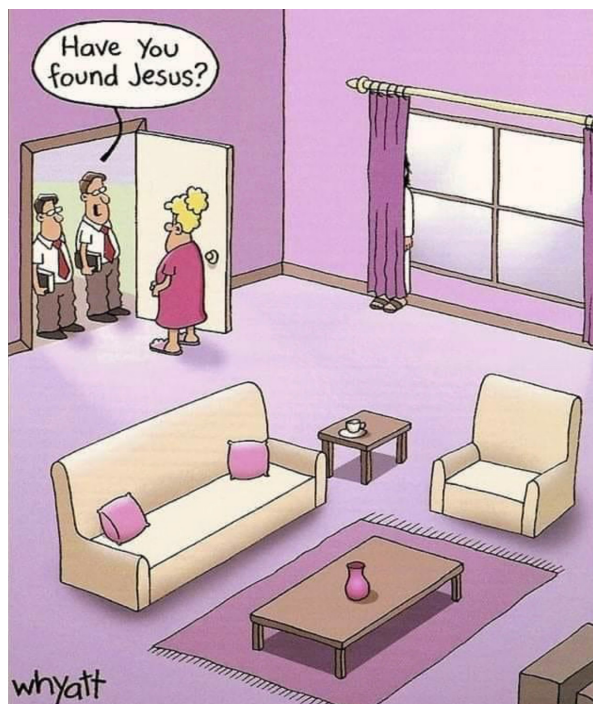

(John 14:12 GW)

How can we be satisfied with normal when we've been promised so much? I know there is a level of safety & security in ordinary or normal, BUT too much of the church has been satisfied with the ordinary for too long! We've been happy to pick up the crumbs that fall from the masters table when all the time Jesus has been calling us to come, feast with Him at the banquet table!!!

Let's determine today to seek, to hunger & thirst for all God and all He has for us, our family, church & nation! Give ordinary the flick & believe for the greater things as He has promised.

Love to you all!

John & Wendy
