## NEWS

I never cease to be amazed at the wonder of the Christmas story! I know Christmas is about family, love & peace, but as we know at its centre is the truth that the God of creation, the God of the universe, Yahweh, came to the earth as a helpless infant, entrusting Himself to a young mother and step-father and enduring all the struggles & stresses of a Jewish family under an oppressive occupying regime.

And for one reason:

*For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life. For God did not send his Son into the world to condemn the world, but to save the world through him. (John 3:16-17)*
